FAQS

Q1. Can a foreign company register under Startup India hub?

Ans. Any entity having at least one registered office in India is welcome to register on the hub as location preferences, for the time being, are only created for Indian states. However, we are working on international relations and will soon be able to enable registration for stakeholders from the global ecosystem.

Q2. Would a One Person Company (OPC) be eligible to avail benefits under the Startup India initiative?

Ans. Yes. One Person Companies are eligible to avail benefits under the Startup India initiative.

Q3. Would a One Person Company (OPC) be eligible to avail benefits under the Startup India initiative?

Ans. Yes, a foreign national can enter into a partnership under the LLP Act and get that LLP registered on our website. It can even get recognized by the DIPP.

Q4. Can I provide two mobile numbers in the registration form?

Ans. Only one mobile number and one landline number of the authorized representative of the entity can be provided at the time of registration. The portal and the mobile app would be sending an OTP on the mobile number provided by the user to complete the authentication and registration process.
